Jinghan and naiqi did a good job learning. Everyone is doing a good job. meeting on the 29th.

1 jinghan

got the graphs to work. mentioned finishing the graphs.

2 naiqi

naiqi needs to tell us when she wont be attending meetings. naiqi did the job we asked her to do though.

3 josh

josh basically finished his side of the project, needs a little more refining. advanced slides might be hard (animations, etc.), measuring content(business) value is going to be hard.

4 leo

needs to finish more video stuff.
