## **1 update block diagrams**

### **1.1 L0**

change the word project to program  
change the word graph to visualization

### **1.2 L1**

use the requirements from the email to build this block diagram.  
do one for front and back facing camera.  
Basically do a block for each requirement

## **2 requirements**

moved 8-10 to should

## **3 time extention**

we will be finished with the project at 7pm friday
